

Multiple Intelligences Homework Grid Year 5 and 6

Minimum requirement for homework is to complete at least 2 projects from the grid below.

Word Smart

Research the Viking way of writing. Make up some word puzzles such as secret codes or a game to share with the class.

You could make your own set of Runes.

Computer Smart

Writing smart

Produce a poster to encourage people to recycle their plastic and explain the damage plastic pollution is doing to our oceans.

Nature Smart

Research the foods eaten by the Vikings.

You could:

- produce a recipe book.
- make some Viking bread and write the instructions how to make it.

Choose projects which matches your own personal type of 'Smart'.

Art Smart

Investigate Norse Art and produce some designs of your own. You could use pencil, pen, paint or pastels.

Geography Smart

Research where the Vikings came from and use an atlas to help you produce a map to show this information.

How have some place names in Britain been influenced by the Viking invasions?

List some of these places and plot them on a map of Britain.

Research smart

Who was Mary Anning and how did coastal erosion feature in her work?

Art Smart

Create a model or a sequence of drawings to show the process of coastal erosion.
