

Word Smart

Use your Geography and English skills to write a non-chronological report about the UK or one of the countries.

Maths Smart

Keep a tally of all the animals that you see in your garden or when you're out for a walk.

Nature Smart

With your grownup can you set up a bug hotel in your garden. Send a photo on Dojo and let us know if any guests come to stay!

Art Smart.

Draw a self-portrait with a background in the style of Yayoi Kusama

Choose a project (or two) that matches your personal type of 'smart'. Bring them into school for us to share or send a photo in via WeDuc. We look forward to seeing what you create.

Science Smart

Create a poster showing the lifecycle of one of the following species.

- Penguin
- Butterfly
- Human
- Frog

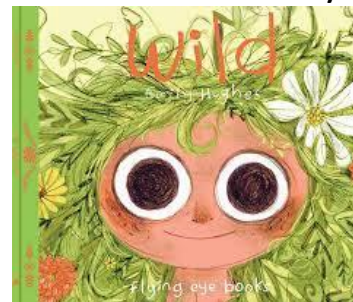

Body Smart

Design your own dance where you move like an animal of your choosing. Bonus Dojo points if your class can guess what animal you are when you perform it!

Story Smart

Write a diary entry as if you were the little girl in 'Wild'. Remember all the diary features we've talked about. Talk about what animals you met in the day, how you felt and what activities you did.

Quiz Smart

Write a quiz about animals to test the class! The quiz can be up to ten questions long and linked to what we have been learning about in class.
